Summary

Assalamu Alaikum. I'm Raiyan, a Computer Science student. I'm studying in the IT unit under University of Dhaka. As I'm an undergraduate, I don't have any job. I'm gaining skills from different IT sites like Codeforces, Codechef and HackerRank. I've accomplished Java (Basic) assessment skill from HackerRank and got certified. Now, I'm focusing on developing my programming skills.

Experience

University Ambassador

ICT Olympiad Bangladesh

Jun 2022 - Present (4 months +)

Software Developer

GAOTek Inc.

Dec 2021 - Feb 2022 (3 months)

Secretary of Sports Management

Dhaka College

Apr 2017 - Mar 2018 (1 year)

During this time me and my associates organized sports events in our college. Cricket and football tournament was the two major tournaments we've managed.

Education

Mymensingh Engineering College

Bachelor of Science - BS, Computer Science and Engineering

Feb 2019 - Apr 2024

Dhaka College

Higher Secondary School Certificate, Science

May 2016 - Mar 2018

College life was one of the best lives I've ever got. I've learnt various socio realistic activities from college. I started my real life works from this college. I studied enough to obtain a decent result.

Badda Alatunnessa Higher Secondary School

Secondary School Certificate, Science

Jan 2007 - Feb 2016

I studied 9 years in that school. I've earned many achievements. My results were quite impresive. Teachers were satisfied with me. I studied hard in SSC to get a tremendous result.

Licenses & Certifications

Java (Basic) - HackerRank
9C305A1A208F
